

R E M A R K S

Claims **79-101** are pending, and claims **79, 83, 87, 91, 95 and 99** are the only pending independent claims (6 independent claims).

Applicants thank the Examiner for the recent comments regarding the allowability of the present claims, and file this paper to advance the prosecution of this application. In particular, the specification has been amended to correct an informality which is a typographical error appearing on page 5 of the application. Specifically, on page 5, line 3, the comma appearing before the word “mailer” has been deleted. No new matter has been added. This change merely corrects a clerical error, and places the application in better form for appeal. Entry of this amendment will not affect the scope of the claims.

Conclusion

It is submitted that all of the claims are in condition for allowance.

If the Examiner has any questions regarding this amendment or the present application, the Examiner is cordially requested to contact Stephan Filipek at telephone number (203) 461-7252 or via email at sfilipek@walkerdigital.com.
